

# EAST GARSTON

## Celebrating 70 glorious years

**One must sing along with gusto!**

### Daisy, Daisy!

Daisy, Daisy, give me your answer do  
I'm half crazy all for the love of you  
It won't be a stylish marriage  
I can't afford a carriage  
But you'll look sweet upon the seat  
Of a bicycle built for two

**REPEAT**

### I'm forever blowing bubbles

I'm forever blowing bubbles,  
Pretty bubbles in the air.  
They fly so high, Nearly reach the sky,  
Then like my dreams, They fade and die.  
Fortune's always hiding,  
I've looked everywhere,  
I'm forever blowing bubbles,  
Pretty bubbles in the air.

### My Old Man!

My old man said follow the van  
And don't dilly-dally on the way  
Off went the cart with the home packed in it

I walked behind with me old Cock Linnet

I dillied and dallied, dallied and dillied  
Lost the van and don't know where to roam

Well you can't trust a special like the old time coppers  
When you can't find your way home.

**REPEAT**

### Pack up your troubles!

Pack up your troubles in your old kit-bag  
And smile, smile, smile  
While you've a lucifer to light your fag  
Smile, boys, that's the style!

What's the use of worrying?

It never was worthwhile

So pack up your troubles in your old kit-bag  
And smile, smile, smile

**REPEAT**

### Maybe it's because I'm a Garstoner!

Maybe it's because I'm a Garstoner  
That I love East Garston so  
Well, maybe it's because I'm a Garstoner  
That I think of her wherever I go

I get a funny feeling inside of me  
While walking up and down  
Well, maybe it's because I'm a Garstoner  
That I love the East Garston town

### We'll meet again!

We'll meet again  
Don't know where, don't know when  
But I know we'll meet again some sunny day  
Keep smiling through  
Just like you always do  
'Til the blue skies drive the dark clouds far away

So will you please say "Hello" to the folks that I know  
Tell them I won't be long

They'll be happy to know that as you saw me go  
I was singing this song

We'll meet again

Don't know where, don't know when  
But I know we'll meet again some sunny day

### **New York, New York!**

Start spreading the news, I'm leaving today  
I want to be a part of it - New York, New York  
These vagabond shoes, are longing to stray  
Right through the very heart of it  
New York, New York

I want to wake up in a city, that never sleeps  
And find I'm king of the hill - top of the heap

These small town blues, are melting away  
I'll make a brand new start of it - In old New York  
If I can make it there, I'll make it anywhere  
It's up to you - New York, New York

### **Sweet Caroline!**

Where it began, I can't begin to knowing  
But then I know it's growing strong

Was in the spring  
And spring became the summer  
Who'd have believed you'd come along

Hands, touching hands  
Reaching out, touching me, touching you

Sweet Caroline  
Good times never seemed so good  
I've been inclined  
To believe they never would

Sweet Caroline  
Good times never seemed so good  
I've been inclined  
To believe they never would

### **Rule Britannia!**

When Britain first, at heaven's command  
Arose from out the azure main  
Arose arose from out the azure main  
This was the charter, the charter of the land  
And guardian angels sang this strain

Rule Britannia, Britannia, rule the waves  
Britons never, never, shall be slaves  
Rule Britannia, Britannia, rule the waves  
Britons never, never, shall be slaves

### **REPEAT CHORUS**

### **Land of hope and glory!**

Land of hope and glory, Mother of the free  
How shall we extol thee, Who are born of thee

Wider still and wider, Shall thy bounds be set  
God who made thee mighty, Make thee  
mightier  
God who made thee mighty, Make thee  
mightier yet

### **The National Anthem!**

God save our gracious Queen!  
Long live our noble Queen!  
God save the Queen!  
Send her victorious,  
Happy and glorious,  
Long to reign over us,  
God save the Queen.
