

## Nativity Service 2015 - All Saints Church, East Garston

Relatives and friends of our young people gathered in the church in the afternoon of Saturday 19<sup>th</sup> December to watch them perform the wonderful story of the Nativity narrated by Billy Tulloch.

The service was conducted by the Revd Martin Cawte and the singing of carols was accompanied on the organ by Dr Stephen Holmes. The production was staged and managed by Vikki Brooks and the photographs have been kindly provided by Richard Brooks.

Luella Shute deputised for the Baby Jesus watched over by his mother Mary (Jemima Mason-Aparicio) and her husband Joseph (Magnus Frost).

Is Angel Trinity Parkes thinking "Oh No, the Baby Jesus is a girl!!!"  
It seems as though the Angel Gabriel (Kate Brooks) on the left and  
Angel Alice Clayton on the right are not at all surprised....

....and the star (Otilie Shute) is sure the baby is her sister.
